

Reset III (feat. Joe)

Isaac Carree

Back to the drawing board
Seems like I'm wasting half on my life
Oh, oh, it's gotta be something more
You gotta find me quick,
Cause we're running out of time.
And who said?
You can make a new score
Tell me who said,
But you're stuck where you are
And when you change your mind,
I promise you'll change your heart!
All you got to do is reset, reset, reset
The narrowness behind you
I'm here to remind you that you can't
Reset, reset, rest, yeah
It's not over, you can't say it's over!
