

# Love Will Tear Us Apart

## Joy Division

When routine bites hard and ambitions are low  
And resentment rides high but emotions won't grow  
And we're changing our ways, taking different roads  
Love, love will tear us apart again  
Love, love will tear us apart again Why is the bedroom so cold turned away on your side?  
Is my timing that flawed, our respect run so dry?  
Yet there's still this appeal that we've kept through our lives  
Love, love will tear us apart again  
Love, love will tear us apart again  
Do you cry out in your sleep, all my failings exposed?  
Get a taste in my mouth as desperation takes hold  
Is it something so good just can't function no more?  
But love, love will tear us apart again  
Love, love will tear us apart again  
Love, love will tear us apart again  
Love, love will tear us apart again
