

Too Much (feat. Usher)

Marshmello, Imanbek & Alle Farben

Marshmello x Imanbek (Ft. Usher) - Too Much Break your silence over my chest

Let it follow and I'll do the rest
Kiss me, kill me, I want nothing less
I'm not afraid of the lonely, no Meet me at the corner
I'll be waiting for ya
I can take the weight off
Weight off of your shoulder
I don't care what I wear
If it's rain or shower
Whatever you ask of me
You don't have to worry There's no such thing, yeah yeah yeah
That's too much, that's too much
There's no such thing, yeah yeah yeah
That's too much, that's too much
There's no such thing, yeah yeah
Yeah yeah yeah
Yeah yeah yeah
Yeah yeah Empty bottles clouding your mind
I know you get lonely sometimes
Say the word and I'll make the drive
I'm not afraid of the lonely, no So meet me at the corner
I'll be waiting for ya
I can take the weight off
Weight off of your shoulder
I don't care what I wear
If it's rain or shower
Whatever you ask of me
You don't have to worry
There's no such thing, yeah yeah yeah
That's too much, that's too much
There's no such thing, yeah yeah yeah
That's too much, that's too much There's no such thing, yeah yeah
Yeah yeah yeah
Yeah yeah yeah
Yeah yeah I hate the thought of you
With tears in your eyes
And I hate the thought of losing you
You to the lies
By the way you're talking
Something ain't right
And I know that you're tired There's no such thing, yeah yeah yeah
That's too much (That's too much), that's too much (Way too much)

There's no such thing, yeah yeah yeah
That's too much (Way too much), that's too much (Too much) There's no such thing, yeah yeah
Yeah yeah yeah
Yeah yeah yeah
Yeah yeah There's no such thing, yeah yeah
Yeah yeah yeah
Yeah yeah yeah
Yeah yeah
