

Valley of Tomorrow

NEEDTOBREATHE

I am a troubled mind, I am a calloused heart
A failing engine from driving way too hard
I was trying way too hard
I pulled a thirty-eight out of my bleeding heart
I killed my selfishness for bringing me this far
This far away from you When the daylight breaks through the buildings of Chicago
I will stand alone in the valley of tomorrow Oh, this is the way I wanna go down
(This is the last time) I'm starting over with you
This is the way I wanna go out
(This is the last time)
I never second-guessed the little voice I heard
It's just a whisper, that sounded like a scream
I ain't never felt so free When the daylight breaks through the buildings of Chicago
I will stand alone in the valley of tomorrow
Oh, this is the way I wanna go down
(This is the last time) I'm starting over with you
This is the way I wanna go out
(This is the last time) Yeah, I'm starting over with you I never second-guessed the little voice I
heard
It's just a whisper
