

# Rock Star

## Everclear

I don't want to be a loser, no, I don't want to be an almost was  
I don't want to be a white trash working class chump  
I don't want to be a loser anymore That's why I want to be a rock star, I want to be the king  
I want to be on top, yeah, I just want to be a rock star, yeah  
Now I just want to be famous, I want to be the guy  
That everybody wants I want to be on TV shows and wear designer clothes  
I want a girlfriend who does not drink beer  
I want to drive a fast car and sleep with certain movie stars  
I want to sing the songs that all those little people want to hear  
I just want to be a rock star, I want to be like all those people  
Up in first class, I just want to be a rock star  
I want to tell the little people, they can kiss my ass  
I just want to be a rock star, I just want to get laid  
I just want to be a rock star, a different girl for every day That's why I want to be a rock star  
Be like all those guys on the MTV  
I just want to be a rock star, I want to make  
Those girls on the Real World fantasize about me  
I just want to be a rock star, I want to be the king  
I want to be on top, I just want to be a rock star  
I just want to be famous, everybody everywhere  
Wants to be famous and everybody everywhere  
Wishes they could tell, everybody everywhere to go to Hell I just want to be a rock star, I just  
want to get high  
I just want to party like a rock star until the day I die  
I just want to be a rock star
