

# Welcome to the Family

## Little Big Town

(Karen Fairchild/Kimberly Roads/Phillip Sweet/Jimi Westbrook/Wayne Kirkpatrick)Welcome  
to the family

Hope you have a real good life

With my little sister

Yeah, she'll make a real good wifeHope you have lots of babies

Hope you get a real good job

Hope you don't mind comp'ny

Cause we'll be here a lotBrother, here's some brotherly advice:

If you know what's good for you,

You'll treat her right, cause...

Grandpa's the local sheriff, yeah

He's the judge and the jury, too

Uncle Bill's the undertaker

Son, he'll dig a hole for you

Cousin Jesse, he's just crazy

He'll fight you just for fun

Momma's got a real bad temper

Daddy's got a shotgunWelcome to the family

From this side of the tracks

If you ever leave her

You ain't comin' backMy nephew is a hunter

He's gonna hunt you down

Just like he did the last one

And he still ain't been found

I like you just fine,

Don't get me wrong

You'll take care of her

Cause if you don't...Grandpa's the local sheriff, yeah

He's the judge and the jury, too

Uncle Bill's the undertaker

Son, he'll dig a hole for you

Cousin Jesse, he's just crazy

He'll fight you just for fun

Momma's got a real bad temper

Daddy's got a shotgunGrandpa's the local sheriff, yeah

He's the judge and the jury, too

Uncle Bill's the undertaker

Son, he'll dig a hole for you

Cousin Jesse, he's just crazy

He'll fight you just for fun
