

Enough

Fantasia

The hours, they turn into seconds whenever I'm with you
And it feels like the minutes are running away from me too
I could just live here in your arms, I don't wanna move
'Cause the way that you love me, it makes me feel like I'm brand new
You tell me that we can stay here forever
And me, I foolishly believe
'Cause nothing can last as long as we have want, baby
But I just can't hide it, I want you to stay here with me It's so hard to let you go
Baby, that's how I know it's real love
I fight, but my feelings show
They came rushing in, just like a flood
I can't get enough 'cause I need you baby baby, by my side
You can give me your time
And I'll always ask for more
'Cause forever just ain't long enough
I'm drawn to you like a moth to a flame
And I'll risk it all for you, baby, no, I ain't got no shame
Ooh
Now if you give your everything, I promise baby, I'll do the same
I'll keep on being the woman you need, I won't change You tell me that we can stay here forever
And me, I foolishly believe
'Cause nothing can last us long as we want baby
But I just can't fight it, I want you to stay here with me It's so hard to let you go (It's so hard)
Baby, that's how I know it's real love
I fight, but my feelings show
They came rushing in, just like a flood
I can't get enough 'cause I need you baby baby, by my side
(I need, I need you now, baby)
You can give me all of your time
And I'll always ask for more
'Cause forever just ain't long enough
All this love is more than I prayed for
More than I thought would see
In a lifetime, and its getting stronger
Baby, just stay here with me
It's so hard to let you go (It's so hard)
Baby, that's how I know it's real love (Real love, baby)
I fight, but my feelings show
They came rushing in, just like a flood
I can't get enough 'cause I need you baby baby, by my side
(I need you baby, baby)
You can give me all of your time

And I'll always ask for more
'Cause forever just ain't long enough
