## One

## <u>U2</u>

Is it getting better? Or do you feel the same? Will it make it easier on you now? You got someone to blameYou say, one love, one life When it's one need in the night One love, we get to share it Leaves you baby if you don't care for itDid I disappoint you? Or leave a bad taste in your mouth? You act like you never had love And you want me to go withoutWell it's too late tonight To drag the past out into the light We're one but we're not the same We get to carry each other, carry each other One! Have you come here for forgiveness? Have you come to raise the dead? Have you come here to play Jesus? To the lepers in your headDid I ask too much? More than a lot You gave me nothin' now it's all I got We're one but we're not the same Well we hurt each other then we do it againYou say love is a temple, love a higher law Love is a temple, love the higher law You ask me to enter but then you make me crawl And I can't be holdin' on to what you got When all you got is hurtOne love, one blood One life, you got to do what you should One life, with each other Sisters, brothers One life but we're not the same We get to carry each other, carry each other One One
