

# 'Til a Tear Becomes a Rose (With Lorrie Morgan)

Keith Whitley & Lorrie Morgan

Darling, I can see the clouds around you  
And in your heart I know a sorrow grows  
But if you weep I'll be right here to hold you  
'Til each tear you cry becomes a rose  
Dearest love, I know your heart been shattered  
And all my words can offer no relief  
But my love will heal the pain you've suffered  
And I'll be here if you should turn to me  
Darling, I can see the clouds around you  
And in your heart I know a sorrow grows  
But if you weep I'll be right here to hold you  
'Til each tear you cry becomes a rose  
In deepest night when memories tend to gather  
Lay with me and put your fears to sleep  
'Cause there's no pain no dream can put us under  
All the love that binds you and me  
Darling, I can see the clouds around you  
And in your heart I know a sorrow grows  
But if you weep I'll be right here to hold you  
'Til each tear you cry becomes a rose  
'Til each tear you cry becomes a rose
