Circles

Post Malone

Oh, oh, oh-oh

Oh, oh, oh-oh

Oh, oh, oh-oh, oh-ohWe couldn't turn around

'Til we were upside down

I'll be the bad guy now

But no, I ain't too proudI couldn't be there

Even when I try

You don't believe it

We do this every timeSeasons change and our love went cold

Feed the flame 'cause we can't let it go

Run away, but we're running in circles

Run away, run away

I dare you to do something

I'm waiting on you again

So I don't take the blame

Run away, but we're running in circles

Run away, run away, run awayLet go

I got a feeling that it's time to let go

I say so

I knew that this was doomed from the get-goYou thought that it was special, special But it was just the sex though, the sex though

And I still hear the echoes (The echoes)

I got a feeling that it's time to let it go, let it goSeasons change and our love went cold

Feed the flame 'cause we can't let it go

Run away, but we're running in circles

Run away, run away

I dare you to do something

I'm waiting on you again

So I don't take the blame

Run away, but we're running in circles

Run away, run away Maybe you don't understand

What I'm going through

It's only me

What you got to lose? Make up your mind, tell me

What are you gonna do?

It's only me

Let it goSeasons change and our love went cold

Feed the flame 'cause we can't let it go

Run away, but we're running in circles

Run away, run awayI dare you to do something

I'm waiting on you again

So I don't take the blame

Run away, but we're running in circles Run away, run away, run away
