Stay Beautiful

Taylor Swift

Corey's eyes are like a jungle He smiles, it's like the radio He whispers songs into my window In words that nobody knows There's pretty girls on every corner That watch him as he's walking home Saying, does he know Will you ever know?You're beautiful, every little piece, love Don't you know, you're really gonna be someone Ask anyone And when you find everything you looked for I hope your life leads you back to my door Oh, but if it don't, stay beautiful Corey finds another way to be The highlight of my day I'm taking pictures with my mindSo I can save 'em for a rainy day It's hard to make a conversation When he's taking my breath away I should say 'Hey, by the way'You're beautiful, every little piece, love Don't you know, you're really gonna be someoneAsk anyone And when you find everything you looked forI hope your life leads you back to my door Oh, but if it don't, stay beautiful If you and I are a story That never gets told If what you are is a daydream I'll never get to hold, at least you'll know You're beautiful, every little piece, love Don't you know, you're really gonna be someone Ask anyone And when you find everything you looked for I hope your life leads you back to my front door Oh, but if it don't Will you stay beautiful A beautiful, beautiful Beautiful A beautiful, beautiful. Oh, but if it don't Stay beautiful Stay beautiful
