

# Giants

Dermot Kennedy & Sam Feldt

We used to be giants  
When did we stop?  
Just say the word and I'll be yours  
You know I never forgotThe hope and the hurt  
Has lived inside of me  
But there's gold in the dirt  
I never took the time to see  
But I knew of its worth  
When you walked beside of me  
And my hand fit in yours  
Like a bird would find the breeze  
We used to be giants  
When did we stop?  
Just say the word and I'll be yours  
You know I never forgot  
We were the song in the silence  
But time catches up  
Just say the word and I'll be yours  
You know I never forgotI knew from the start  
You'd be the one to set me free  
That day in the park  
When the hurt would hide from me  
Those eyes used to know me, it's been way too long  
You are the moon and the stars, and all they gaze upon  
Time won't ever move slowly, what you waiting on?  
What you waiting on?  
We used to be giants  
When did we stop?  
Say the word and I'll be yours  
You know I never forgot  
We were the song in the silence  
But time catches up  
Just say the word and I'll be yours  
You know I never forgotDarling  
Just say you will  
Will you remember those times?  
That I have held until  
Tonight  
If you say you will  
I'll leave it all behind  
Don't you remember those times?We used to be giants  
So, when did we stop?

Just say the word and I'll be yours  
You know I never forgot  
We were the song in the silence  
But time catches up  
Just say the word and I'll be yours  
You know I never forgot We used to be giants  
Giants  
Oh, I still love you, though  
I still love you, though
