

# Never Grow Up

Taylor Swift

Your little hands wrapped around my finger  
And it's so quiet in the world tonight  
Your little eyelids flutter cause you're dreaming  
So I tuck you in, turn on your favorite night light  
To you everything's funny You've got nothing to regret  
I'd give all I have honey  
If you could stay like that  
Oh darling don't you ever grow up Don't you ever grow up  
Just stay this little  
Oh darling don't you ever grow up  
Don't you ever grow up  
It could stay this simple  
I won't let nobody hurt you  
Won't let no one break your heart  
No one will desert you  
Just try to never grow up Never grow up  
You're in the car on the way to the movies  
And you're mortified your mom is dropping you off At 14 there is just so much you cant do And  
you cant wait to move out someday and call your own shots  
But don't make her drop you off around the block  
Remember that she's getting older too  
Don't lose the way that you dance around in your pj's getting ready for school Oh darling don't  
you ever grow up Don't you ever grow up  
Just stay this little  
Oh darling don't you ever grow up  
Don't you ever grow up  
It could stay this simple  
And no one's ever burned you  
Nothing's ever left you scarred  
And even though you want to  
Just try to never grow up  
Take pictures in your mind  
Of your childhood room  
Memorize what it sounded like  
When your dad gets home  
Remember the footsteps  
Remember the words said  
I just realized everything I have is someday gonna be gone  
So here I am in my new apartment  
In a big city, they just dropped me off  
It's so much colder than I thought it would be  
So I tuck myself in and turn my nightlight on

Wish I'd never grown up  
I wish I'd never grown up  
Oh I don't wanna grow up  
Wish I'd never grown up  
    Could still be little  
Oh I don't wanna grow up  
Wish I'd never grown up  
    It could still be simple  
Oh darling don't you ever grow up  
    Don't you ever grow up  
        Just stay this little  
Oh darling don't you ever grow up  
    Don't you ever grow up  
        It could stay this simple  
I won't let nobody hurt you  
Won't let no one break your heart  
And even though you want to  
Please try to never grow up  
    Don't you ever grow up  
        Never grow up  
            Just never grow up
