Never Grow Up

Taylor Swift

Your little hands wrapped around my finger
And it's so quiet in the world tonight
Your little eyelids flutter cause you're dreaming
So I tuck you in, turn on your favorite night light
To you everything's funnyYou've got nothing to regret

I'd give all I have honey If you could stay like that

Oh darling don't you ever grow upDon't you ever grow up

Just stay this little

Oh darling don't you ever grow up

Don't you ever grow up

It could stay this simple

I won't let nobody hurt you

Won't let no one break your heart

No one will desert you

Just try to never grow upNever grow up

You're in the car on the way to the movies

And you're mortified your mom is dropping you offAt 14 there is just so much you cant doAnd you cant wait to move out someday and call your own shots

But don't make her drop you off around the block

Remember that she's getting older too

Don't lose the way that you dance around in your pj's getting ready for schoolOh darling don't you ever grow upDon't you ever grow up

Just stay this little

Oh darling don't you ever grow up

Don't you ever grow up

It could stay this simple

And no one's ever burned you

Nothing's ever left you scarred

And even though you want to

Just try to never grow up

Take pictures in your mind

Of your childhood room

Memorize what it sounded like

When your dad gets home

Remember the footsteps

Remember the words said

I just realized everything I have is someday gonna be gone

So here I am in my new apartment

In a big city, they just dropped me off

It's so much colder than I thought it would be

So I tuck myself in and turn my nightlight on

Wish I'd never grown up I wish I'd never grown up Oh I don't wanna grow up Wish I'd never grown up Could still be little Oh I dont wanna grow up Wish I'd never grown up It could still be simple Oh darling don't you ever grow up Don't you ever grow up Just stay this little Oh darling don't you ever grow up Don't you ever grow up It could stay this simple I won't let nobody hurt you Won't let no one break your heart And even though you want to Please try to never grow up Don't you ever grow up Never grow up Just never grow up
