Seh dis yah one yah keep yuh rocking in the streets,  
And meck yuh skank and just a dance off yuh feet,  
Dem neva know seh dem yah riddim yah so sweet,  
Music a the people heartbeat. So just dance if yuh dancing,

Mi say groove now if yuh grooving. When she moves,  
When she moves me inside,  
Feels so right now,  
I've got nothing to hide.  
When she moves,  
Sends my spirit so high,  
I love this groove now,  
I feel like touching the sky.  
I love this,  
To love and be loved.  
Above this?  
Only heavens above.  
I love this feeling,  
To love and be loved,  
No thing better,  
To love and be loved. So mi say listen meck mi tell yuh this,
