Touch it, bring it, pay it, watch it  
Technologic  
One more time One more time Like the legend of the phoenix, yeah  
All ends with beginnings, oh  
What keeps the planet spinning, ah-ah  
The force from the beginning, oh We've come too far to give up who we are  
So let's raise the bar and our cups to the stars Say We're up all night till the sun  
We're up all night to get some  
We're up all night for good fun  
We're up all night to get lucky We're all up night till the sun  
We're up all night to get some  
We're up all night for good fun  
We're up all night to get lucky  
We're up all night to get lucky  
We're up all night, all night to get  
Up all night to get, get, get lucky No Last night I had this dream about you  
In this dream I'm dancing right beside you  
There's nothing wrong with just a little bit of fun  
We were dancing all night long Oh, I don't know what to do  
About this dream and you  
I hope this dream comes true One more time, hey  
We're gonna celebrate, oh-yeah, all right  
Don't stop the dancing One more time, we're gonna celebrate Work it harder, make it better  
Do it faster, makes us stronger  
More than ever hour after  
Our work is never over Work it harder, make it better  
Do it faster, makes us stronger  
More than ever hour after  
Our work is never over I'm a work it harder, make it bett-  
Do it faster, makes us  
More than ever hou-hour after  
Ou-our work is never over Work it harder, make it better

Do it faster, makes us stronger  
More than ever hour after  
Our work is never over Television rules the nation, oh-yeah  
Television rules the nation Music's got me feeling so free  
Celebrate and dance so free  
One more time Music's got me feeling so free  
We're gonna celebrate  
Celebrate and dance so free (Celebrate) Tonight (We've)  
Hey, just feelin (Come too far)  
Music's got me feeling the need (To give up who we are) One more time  
Music's got me feeling so free (So let's)  
We're gonna celebrate (Raise the bar)  
Celebrate and dance (And our cups)  
To the stars We're up all night till the sun  
We're up all night to get some  
We're up all night for good fun  
We're up all night to get lucky We're up all night till the sun  
We're up all night to get some  
We're up all night for good fun  
We're up for... One more night We're up all night till the sun  
(Hey) Celebration  
Feelings so free  
One more time We're up all night till the sun  
(Hey) Celebration  
Music's got me feeling so...  
Our work is never over
