

# Is It True

Brenda Lee

(Carter Lewis) Listen to the talk that's going around town  
Everywhere you go they're spreading it around  
Saying that you gone and found another one  
Is it true my love oh, oh  
What about the ring you gave me yesterday  
Is it hard for me to throw it all away  
As you said goodbye if you have no lie  
Is it true my love oh, oh?  
Don't you know, don't you know  
You're making me blue  
Baby, baby say it isn't, say it isn't true  
Coming down the street the story looks the same  
Everyone I meet is whispering your name  
Saying that you've gone and found another one  
Is it true my love oh, oh? Saying that you've gone and found another one  
Is it true my love oh, oh?  
Don't you know, don't you know  
You're making me blue  
Baby, baby say it isn't, say it isn't true  
Coming down the street the story looks the same  
Everyone I meet is whispering your name  
Saying that you've gone and found another one  
Is it true my love oh, oh?...
