

Lessons Learned

Carrie Underwood

There's some things that I regret
Some words I wish had gone unsaid
Some starts that had some better endings
Been some bad times I've been through
Damage I could not undo
Some things I wish I could do all all over again
But it don't really matter
When life gets that much harder
It makes you that much stronger
Oh
Some pages turned
Some bridges burned
But there were
Lessons learned
From every tear that had to fall from my eyes
From every day I wondered how I'd get through the night
From every change life has thrown me
I'm thankful for every break in my heart
I'm grateful for every scar
Some pages turned
Some bridges burned
But there were
Lessons learned
There's mistakes that I have made
Some chances I just threw away
Some roads I never should've taken
Been some signs I didn't see
Hearts that I hurt needlessly
Some wounds that I wish I could have one more chance to mend
But it don't make no difference
The past can't be rewritten
You get the life you're given
Oh
Some pages turned
Some bridges burned
But there were
Lessons learned
From every tear that had to fall from my eyes
From every day I wondered how I'd get through the night
From every change life has thrown me
I'm thankful for every break in my heart
I'm grateful for every scar
Some pages turned

Some bridges burned
But there were
Lessons learned And all the things that break you
Are all the things that make you strong
You can't change the past 'cause it's gone
And you gotta just move on
Because it's all
Lessons learned From every tear that had to fall from my eyes
From every day I wondered how I'd get through the night
From every change life has thrown me
I'm thankful for every break in my heart
I'm grateful for every scar
Some pages turned
Some bridges burned
But there were
Lessons learned
Oh
Some pages turned
Some bridges burned
But there were
Lessons learned
