

# Cold, Cold Heart

[Jerry Lee Lewis](#)

I tried so hard my dear to show that you're my every  
dream  
Yet you're afraid each thing I do is just some evil  
scheme  
A mem'ry from your lonesome past keeps us so far apart  
Why can't I free your debtful mind and melt your cold  
cold heart Another love before my time made your heart sad and  
blue  
And so my heart is paying now for things I didn't do  
In anger unkind words are said that make the teardrops  
start  
Why can't I free your debtful mind and melt your cold  
cold heart  
You'll never know how much it hurts to see you sit and  
cry  
You know you need and want my love yet you're afraid  
to try  
Why do you run and hide from life to try it just ain't  
smart  
Why can't I free your debtful mind and melt your cold  
cold heart  
There was a time when I believed that you belonged to  
me  
But now I know your heart is shackled to a memory  
The more I learn to care for you the more we drift  
apart  
Why can't I free your debtful mind and melt your cold  
cold heart
