Small Talk

Katy Perry

Isn't it strange that you used to know me?
All the highs and lows and in-betweens
And now you see me and just say, "Hey"Isn't it weird that you've seen me naked?
We had conversations 'bout forever
Now it's 'bout the weather, okayAnd I just can't believe
We went from strangers to lovers to strangers in a lifetime
Now just memories
We've gone from strangers to lovers to strangers
Yeah
Acting like we never met
Faking like we'd just forget we were lovers
And now there's nothing left but small talk
Had every inch of your skin
There's nowhere your hands haven't been
Ain't it funny?
'Cause now there's nothing left but small talkIsn't it wild that I know your weakness?
And everybody at the party thinks
That you're the best since sliced bread
And isn't it awkward I got a new somebody?
And honestly it'll probably be a while before we can just be friendsI just can't believe
We went from strangers to lovers to strangers in a lifetime
Now just memories
We've gone from strangers to lovers to strangers
(Small talk)
Acting like we never met
Faking like we'd just forget we were lovers
And now there's nothing left but small talk
Had every inch of your skin
There's nowhere your hands haven't been
Ain't it funny?
'Cause now there's nothing left but small talkBlah-blah-blah-blah
Blah-blah-blah-blah
Blah-blah-blah-blah
Now there's nothing left but small talk
Blah-blah-blah-blah
Blah-blah-blah-blah (Nah)
Blah-blah-blah-blah
Now there's nothing left but small talkAnd I just can't believe
We went from strangers to lovers to strangersActing like we never met
Faking like we'd just forget we were lovers
And now there's nothing left but small talk
Had every inch of your skin

There's nowhere your hands haven't been (Oh)
Ain't it funny?
'Cause now there's nothing left but small talkBlah-blah-blah-blah
Blah-blah-blah-blah
Blah-blah-blah-blah
Now there's nothing left but small talk
Blah-blah-blah-blah
Blah-blah-blah-blah
Blah-blah-blah-blah
Now there's nothing left but small talk
