## Muse

The wavelength gently grows  
Coercive notions re-evolve  
A universe is trapped inside a tear! It resonates the core  
Creates unnatural laws  
Replaces love and happiness with fear!  
How much deception can you take? How many lies will you create?  
How much longer until you break?  
Your mind's about to fall...  
And they're breaking through  
They're breaking through  
They're breaking through  
(We are losing control)  
They're breaking through They're breaking through  
And they are breaking through  
They are breaking through  
Now we're falling  
We are losing control  
Invisible to all The mind becomes a wall  
All of history deleted with one stroke!  
How much deception can you take?  
How many lies will you create?  
How much longer until you break?  
Your mind's about to fall...  
And they are breaking through  
They are breaking through  
Now we're falling  
We are losing control
