

No Love (feat. Lil Wayne)

Eminem

Throw dirt on me and grow a wildflower
But it's "fuck the world", get a child out her Yeah, my life a bitch, but you know nothing bout
her
Been to hell and back, I can show you vouchers I'm rolling Sweets, I'm smoking sour
Married to the game but she broke her vows That's why my bars are full of broken bottles
And my night stands are full of open Bibles I think about more than I forget
But I don't go around fire expecting not to sweat And these niggas know I lay them down, make
your bed
Bitches try to kick me while I'm down: I'll break your leg Money outweighing problems on the
triple beam
I'm sticking to the script, you niggas skipping scenes
Be good or be good at it
Fucking right I've got my gun, semi-Cartermatic Yeah, put a dick in their mouth, so I guess it's
"fuck what they say" I'm high as a bitch: up, up and away
Man, I come down in a couple of days OK, you want me up in the cage, then I'll come out in
beast mode I got this world stuck in the safe, combination is the G-code It's Weezy
motherfucker, blood gang and I'm in bleed mode All about my dough but I don't even check the
peephole So you can keep knocking but won't knock me down No love lost, no love found
It's a little too late to say that you're sorry now You kicked me when I was down But what you
say, just (don't hurt me, don't hurt me no more) That's right bitch: and I don't need you, don't
want to see you
Bitch you get (no love) You show me nothing but hate
You ran me into the ground
But what comes around goes around I don't need you (don't hurt me) You (don't hurt me no
more) That's right, and I don't need you, don't want to see you
You get (no love)
Bitch you get (no love)
And I don't need you Get 'em I'm alive again More alive than I have been in my whole entire life I
can see these people's ears perk up as
I begin to spaz with the pen, I'm a little bit sicker than most
Shit's finna get thick again They say the competition is stiff
But I get a hard dick from this shit, now stick it in
I ain't never giving in again Caution to the wind, complete freedom Look at these rappers, how I
treat them
So why the fuck would I join them when I beat 'em They call me a freak cuz
I like to spit on these pussies 'fore I eat them Man get these whack cocksuckers off stage Where
the fuck is Kanye when you need him? Snatch the mic from him,
bitch I'mma let you finish in a minute Yeah the rap is tight
But I'm 'bout to spit the greatest verse of all time
So you might want to go back to the lab tonight and um Scribble out them rhymes you were
going to spit And start over from scratch and write new ones
But I'm afraid that it ain't gonna make no difference When I rip this stage and tear it in half

tonight
It's an adrenaline rush to feel the bass thump
In the place all the way to the parking lot,
fellowSet fire to the mic and ignite the crowd
You can see the sparks from hot metalCold-hearted from the day I Bogarted the game
I so started to rock fellowWhen I'm not even in my harshest
You can still get roasted because Marsh is not mellowTil I'm toppling from the top
I'm not going to stopI'm standing on my Monopoly board
That means I'm on top of my game and it don't stop
'Til my hip don't hop anymore (shit)When you so good that you can't say it
Because it ain't even cool for you to sound cocky anymorePeople just get sick cause you
spitThese fools can't drool or dribble a drop anymore
And you can never break my strideYou never slow the momentum at any moment I'm about to
blowYou'll never take my pride
Killing the flow, slow venom and the opponentIs getting no mercy, mark my words
Ain't letting up, relentlessI smell blood, I don't give a fuck
Keep giving them hellWhere was you when I fell and needed help up?
You get no loveIt's a little too late to say that you're sorry now
You kicked me when I was downBut what you say, just (don't hurt me, don't hurt me no
more)That's right bitch: and I don't need you, don't want to see youBitch you get (no love)
You show me nothing but hateYou ran me into the ground
But what comes around goes aroundI don't need you (don't hurt me)
You (don't hurt me no more)That's right, and I don't need you, don't want to
see youYou get (no love)
Bitch you get (no love)
And I don't need you
