

Too Cool

Meaghan Martin

I'm too cool for my dress
These shades don't leave my head
Everything you say is so irrelevant
You follow and I lead
You wanna be like me
But you're just a wannabe
Love it or hate it I can't help the way I am
Hope you don't misunderstand But I'm too cool, too cool
Yeah, I'm too cool to know you
Don't take it personal
Don't get emotional
You know it's the truth
I'm too cool for you
You think you're hot
But I'm sorry you're not
Exactly who you think you are
Can't tell you what, that you haven't got
When we walk into the room
I'm too cool for you You're lucky I'm so nice
Even I'm surprised
You are still aloud to be in my crew
I'll show you how it's done
If you wanna be someone
Just watch me and you'll learn some Me, myself and I agree
You'll never catch up with me
'Cause I'm too cool, too cool
Yeah, I'm too cool to know you
Don't take it personal
Don't get emotional
You know it's the truth
I'm too cool for you You think you're hot
But I'm sorry you're not
Exactly who you think you are
Can't tell you what, that you haven't got
When we walk into the room
I'm too cool for you You see, some are born beauty
Brains, and talent and they got it all
While others have to try all their lives
Still they never get the call
That's the difference between you and me
Obviously, I'm a natural
I'm the real deal, yeah I can't help the way I am

Hope you don't misunderstand But I'm too cool, too cool
Yeah, I'm too cool to know you
Don't take it personal
Don't get emotional
You know it's the truth
I'm too cool for you Too cool, too cool
Yeah, I'm too cool to know you
Don't take it personal
Don't get emotional
You know it's the truth
I'm too cool for you
