

# Watch n' Learn

## Rihanna

Won't say a thing  
About the way you love me  
Except for, I like the way  
I love the way you touch me If I turn it leave it, turn it up  
Then I drop it, drop it  
Tell ya making faces  
All the love you want  
Tell me stop it  
Imma do it, do it, do it  
Till you can't take no more  
Till my lipstick ain't up on my face no more  
Imma do it, do it, do it  
On the bed, on the floor, on the couch  
Only cause your lips say make it to my mouth  
Just because I can't kiss back  
Doesn't mean you can't kiss that Oh, baby, baby, just like that  
Slow, baby, baby, just like that  
Oh, baby, baby, turn me out  
Oh, baby, baby, it's your turn now It's your turn now, it's your turn now  
It's your turn now, it's your turn now  
Watch and learn now, watch and learn how  
Watch and learn now, eh eh eh Oh, baby, baby  
Oh, baby, baby  
If you learn now, if you learn now  
If you learn how, I'll stay  
Don't ask me if  
You were the first to sleep here  
Cause if he did  
You wouldn't even be here If I turn it leave it, turn it up  
Then I drop it, drop it  
Tell ya making faces  
All the love you want  
Tell me stop it  
Imma do it, do it, do it  
Till you can't take no more  
Till my lipstick ain't up on my face no more Imma do it, do it, do it  
On the bed, on the floor, on the couch  
Only cause your lips say make it to my mouth  
Just because I can't kiss back  
Doesn't mean you can't kiss that Oh, baby, baby, just like that  
Slow, baby, baby, just like that  
Oh, baby, baby, turn me out

Oh, baby, baby, it's your turn now It's your turn now, it's your turn now  
It's your turn now, it's your turn now  
Watch and learn now, watch and learn how  
Watch and learn now, eh eh eh eh Oh, baby, baby  
Oh, baby, baby  
If you learn now, if you learn now  
If you learn how, I'll stay Come put my love against your case  
Oh na na na  
La la la, just like this  
No no no, don't be shy  
Baby all I need  
All doing on me  
Like you aimed to please  
Show me how much you mean it  
By the way that you please me, baby Imma do it, do it, do it  
On the bed, on the floor, on the couch  
Only cause your lips say make it to my mouth  
Just because I can't kiss back  
Doesn't mean you can't kiss that  
Oh, baby, baby, just like that  
Slow, baby, baby, just like that  
Oh, baby, baby, turn me out  
Oh, baby, baby, it's your turn now  
It's your turn now, it's your turn now  
It's your turn now, it's your turn now  
Watch and learn now, watch and learn how  
Watch and learn now, eh eh eh eh  
Oh, baby, baby  
Oh, baby, baby  
If you learn now, if you learn now  
If you learn how, I'll stay
