## **Hymn for the Missing**

## Red

Tried to walk together But the night was growing dark Thought you were beside me But I reached and you were gone Sometimes I hear you calling From some lost and distant shore I hear you crying softly For the way it was before Where are you now? Are you lost? Will I find you again? Are you alone? Are you afraid? Are you searching for me? Why did you go? I had to stay. Now I'm reaching for you Will you wait, will you wait? Will I see you again? You took it with you when you left These scars are just a trace Now it wanders lost and wounded This heart that I misplaced Where are you now? Are you lost? Will I find you again? Are you alone? Are you afraid? Are you searching for me? Why did you go? I had to stay. Now I'm reaching for you Will you wait, will you wait? Will I see you again?
