Thank You

Dido

My tea's gone cold, I'm wondering why I got out of bed at all The morning rain clouds up my window And I can't see at all And even if I could it' d all be grey But your picture on my wall it reminds me That it's not so bad, it's not so badI drank too much last night, got bills to pay My head just feels in pain I missed the bus and there'll be hell today I'm late for work again and even if I'm there They'll all imply that I might not last the day And then you call me and it's not so bad It's not so bad And I want to thank you for giving me The best day of my lifeOhh, just to be with you is having The best day of my lifePush the door, I'm home at last and I'm soaking Through and through then you handed me a towel And all I see is you, and even if my house falls

The best day of my lifeAnd I want to thank you for giving me
The best day of my life
Ohh, just to be with you is having
The best day of my life
And I want to thank you for giving me
The best day of my life
Ohh, just to be with you is having
The best day of my life

Down now, I wouldn't have a clue because you're Near meAnd I want to thank you for giving me The best day of my lifeOhh, just to be with you is having
