

Contaminated

Banks

You wanna get to know me
You memorized the lines of my thighs
I knew before you told me You'd get it right And you took the dark for granted
And you love me like you
Promised your wife
It's almost like you planned it in the daylight Ooh I can attain it
Ooh I can attain it
Ooh I can attain it
Ooh I can attain it
Ooh I can attain it
I like the way you say it
Tell me the words you told me
That day
Maybe if I could believe it I could just stay 'Cuz I like the way you do it
Yeah I like the way you move it baby show me the way
I like the way you get it on the freeway
And I wish I could change it
And we're always gonna be
Contaminated
And oh
I know what we need
You start letting me go
Our love is tainted You said they'd be against us
I say you care too much what they say
You said
