I Want You 'Round

Marvin Gaye & Kim Weston

I want you (I want you)
The right way (the right way)
I want you (Yes I do)

But I want you to want me too (want me too)

Want you to want me, baby (and I wanna it 2 be the right way) Just like I want youI give you all the love I want in return sweet darlin'

But half a love is all I feel

It's too bad, it's just too sad

You don't want me now

But I'm gonna change your mind

Someway, somehow, oh baby

I want you, the right way

I want you

But I wan't you to want me too

Want you to want me, baby

Just like I want youThis one way love is just a fantasy, oh sugar

To share is precious, pure and fair

Don't play with something you should cherish for life, oh baby

Don't you wanna care

Aint it lonely out thereI want you, the right way

I want you

But I wan't you to want me too

Want you to want me, baby

Just like I want you

I want you, the right way

I want you

But I wan't you to want me too

Want you to want me, baby

Just like I want you...
