Teardrops On My Guitar (Radio Single Remix)

Taylor Swift

Drew looks at me
I fake a smile so he won't see
What I want and I need
And everything that we should beI'll bet she's beautiful
That girl he talks about
And she's got everything

That I have to live withoutDrew talks to me

I laugh 'cause it's damn funny

But I can't even see

Anyone when he's with meHe says he's so in love

He's finally got it right

I wonder if he knows

He's all I think about at night

He's the reason for the teardrops on my guitar The only thing that keeps me wishing on a wishing star

He's the song in the car I keep singing

Don't know why I doDrew walks by me

Can he tell that I can't breathe?

And there he goes, so perfectly

The kind of flawless I wish I could be She better hold him tight

Give him all her love

Look in those beautiful eyes

And know she's lucky 'causeHe's the reason for the teardrops on my guitar

The only thing that keeps me wishing on a wishing star

He's the song in the car I keep singing

Don't know why I do

So I drive home alone

As I turn out the light

I'll put his picture down

And maybe get some sleep tonight

'Cuz he's the reason for the teardrops on my guitar

The only one who's got enough of me to break my heart

He's the song in the car I keep singing

Don't know why I do

He's the time taken up but there's never enough

And he's all that I need to fall into

Drew looks at me

I fake a smile so he won't see
