

# Everybody Loves Me But You

Brenda Lee

Why did I listen to my friends  
When they told me what to do  
Yes, I still have my friends  
But I don't have you And like true friends  
They still come around  
And say, I'm sorry you're blue  
Whoa, everybody loves me but you My friends don't know what they've done  
Well, it wouldn't matter anyhow  
I can't tell them they were wrong  
'Cause I'm afraid they'll leave me, too  
Now, it's funny but more than ever  
I need them now  
I still ask my friends what to do  
But it seems they don't know how to bring  
How to bring you back  
They say, what made him go
