Knee Deep (feat. Jimmy Buffett)

Zac Brown Band

Gonna put the the world away for a minute

Pretend I don't live in it

Sunshine gonna wash my blues awayHad sweet love but I lost it

She got too close so I fought her

Now I'm lost in the world trying to find me a better wayWishing I was knee deep in the water somewhere

Got the blue sky breeze and it don't seem fair

Only worry in the world is the tide gonna reach my chair

Sunrise there's a fire in the sky

Never been so happy

Never felt so high

And I think I might have found me my own kind of paradise

Wrote a note said be back in a minute

Bought a boat and I sailed off in it

Don't think anybody gonna miss me anywayMind on a permanent vacation

The ocean is my only medication

Wishing my condition ain't ever gonna go awayCause now im knee deep in the water

somewhere

Got the blue sky breeze blowing wind through my hair

Only worry in the world is the tide gonna reach my chair

Sunrise there's a fire in the sky

Never been so happy

Never felt so high

And I think I might have found me my own kind of paradiseThis champagne shore washing

over me

It's a sweet sweet life living by the salty sea

One day you could be as lost as me

Change you're geography

Maybe you might be

Knee deep in the water somewhere

Got the blue sky breeze blowing wind through my hair

Only worry in the world is the tide gonna reach my chair

Sunrise there's a fire in the sky

Never been so happy

Never felt so high

And I think I might have found me my own kind of paradiseCome on in the water it's nice

Find yourself a little slice

Grab a backpack of lies

You never know until you try

When you lose yourself

You find the key to paradise
