

# Hit the Floor

## LINKIN PARK

There are just too many times that people have tried to look inside of me  
Wondering what I think of you and I protect you out of courtesy  
Too many times that I've held on what I needed to push away  
Afraid to say what was on my mind afraid to say what I need to say Too many things that you  
said about me when I'm not around  
You think having the upper hand means you gotta keep putting me down  
But I've had too many standoffs with you it's about  
As much as I can stand so I'm waiting until the upper hand is mine (One minute you're on top)  
Next you're not watch you drop  
(Making your heart stop)  
Just before you hit the floor  
(One minute you're on top)  
Next you're not missed a shot  
(Making you're heart stop)  
You think you've won and then it's all gone  
So many people like me put so much trust in all your lies  
So concerned with what you think to just say what we feel inside  
So many people like me walk on eggshells all day long  
All I know is that all I want is to feel like I'm not stepped on There are so many things you say  
that make me feel you crossed the line  
What goes up will surely fall and I'm counting down the time  
'Cause I've had so many standoffs with you it's about  
As much as I can stand so I'm waiting until the upper hand is mine (One minute you're on top)  
Next you're not watch you drop  
(Making your heart stop)  
Just before you hit the floor  
(One minute you're on top)  
Next you're not missed a shot  
(Making you're heart stop)  
You think you've won and then it's all gone  
And then it's all gone  
And then it's all gone  
And then it's all gone  
Now it's all gone I know I'll never trust a single thing you say  
You knew your lies would divide us but you lied anyway  
And all the lies have got you floating up above us all  
But what goes up has got to fall (One minute you're on top)  
Next you're not watch you drop  
(Making your heart stop)  
Just before you hit the floor  
(One minute you're on top)  
Next you're not missed a shot

(Making you're heart stop)  
You think you've won and then it's all gone And then it's all gone  
And then it's all gone  
And then it's all gone  
Now it's all gone
