

# Boy Gets a Truck

Jimmie Allen

It ain't a story as old as time  
Just as old as when they first  
Rolled off the assembly line  
Everybody knows how it goes  
Once upon a time, four wheels rolled and a boy gets a truck, truck gets a girl  
Girl gets a midnight feelin' he's the one  
One night turns to love  
Love turns into one knee down  
Down payment on a three bedroom house  
Filled with the sound of little feet  
Then you blink and he's askin' for the keys to pick her up  
Boy gets a truck  
Uh-huh yeah  
It's freedom flying down a two-lane  
Young love steaming up the windows 'cause it can't wait  
She's whispering in your ear  
While you're tryin' to keep it on the road  
It's been goin' on for years boy gets a truck, truck gets a girl  
Girl gets a midnight feelin' he's the one  
One night turns to love  
Love turns into one knee down  
Down payment on a 3 bedroom house  
Filled with the sound of little feet  
Then you blink and he's askin' for the keys to pick her up  
Boy gets a truck, oh yeah  
Truck gets a girl  
Yeah, she'll slide on over  
Put her head on your shoulder  
While the wheels keep turnin' the world, oh yeah  
A boy gets a truck  
Boy gets a truck Yea, boy gets a truck, truck gets a girl  
Girl gets a midnight feelin' he's the one  
One night turns to love  
Love turns into one knee down  
Down payment on a 3 bedroom house  
Filled with the sound of little feet  
Then you blink and he's askin' for the keys to pick her up  
Boy gets a truck, yeah, truck gets a girl  
Yeah you know it does  
Boy gets a truck, truck gets a girl  
Girl gets a midnight feeling he's the one  
Boy gets a truck, truck gets a girl

Girl gets a midnight feeling he's the one  
Boy gets a truck, truck gets a girl  
Girl gets a midnight feeling he's the one  
Boy gets a truck, truck gets a girl  
Girl gets a midnight feeling he's the one  
Boy gets a truck, truck gets a girl  
Girl gets a midnight feeling he's the one
