On the Side of Angels

LeAnn Rimes

I've never been so certain

I've never been sure

We're on the side of angels

If we believe this love is pureIs it so hard to trust it

'Cause we've been wrong before?

There comes a time in every life

We find the heart we're waiting for After all the 'Might-have-beens'

The close and distant calls

After all the 'Try-agains'

Don't be afraid to fall

We're on the side of angels after all

Every time you touch me

Don't you feel it too?

The gentle hand that's guiding us

You to me, me to youAfter all the 'Might-have-beens'

The close and distant calls

After all the 'Try-agains'

Don't be afraid to fall

We're on the side of angels after all Heaven only knows

Why this took so long

But only Heaven knows

A love is right or wrong

After all the 'Might-have-beens'

The close and distant calls

After all the 'Try-agains'

Don't be afraid to fall

We're on the side of angels

On the side of angels

On the side of angels, after allOoh, yeah

On the side of angels

Ooh
