

# Hard to Breathe

Anthony Hamilton

Made me change my plan  
Walk in a different space  
Loving you is all I seem to think about  
And  
Will u let me go if I  
Turn around and walk the other way  
Or would u haunt my heart  
For the rest of my life?  
I don't want to be caught up in you and  
I don't want to have to see your face  
I every other woman,  
It get's hard to breathe  
Only when I'm next to you  
I guess I got caught up in you  
I got to break these chains  
It's so hard to sleep  
I feel your love  
Is closing in  
Forcing me to play my hand  
And I don't want to win Loosing sleep for days  
The distraction that you made  
Keeping me from moving on  
Piecing back my life  
Would it be this way if I  
Had never fell in love with you  
I think it'd be quite alright  
If I never knew your name  
I don't wanna be caught up in you  
And I don't wanna see your face  
In every other woman  
It get's hard to breathe  
Only when I'm next to you  
I guess I got caught up in you  
I got to break these chains  
It's so hard to sleep  
I feel your love  
Is closing in  
Forcing me to play my hand  
And I don't want to win Moving just too much  
Think I'm giving up  
Ohhhhhhhh  
Ohhhhhhhhhhhh

OhhhhhhhhhhhhhhhIt get's hard to breathe  
Only when I'm next to you  
I guess I got caught up in you  
I wanna break these chains  
It's so hard to sleep  
I feel your love  
Is closing in  
Feel your love  
Closing in on me:  
It's gets hard to breathe  
Ohhhh:.I'm up late at night  
I thought I saw you in my dreams  
Thought I saw you in my dreams  
(Fade)
