

# For My Friend

**Bill Withers**

One of us has to say he's sorry  
Or we will never be friends again  
Let's have a drink and talk it over  
I want to keep you for my friend We're here today and gone tomorrow  
None of us knows when life will end  
I've said some things that caused you sorrow  
But I want to keep you for my friend Repeat
