

# Right Thru Me

Nicki Minaj

You see right through me  
How do you do that shit?  
How do you do that shit?  
How do you do that shit?  
How do you, how do yo, how do yo, how do yo, how do yo You let me win, you let me ride  
You let me rock, you let me slide  
And when they looking you let me hide  
Defend my honour, protect my pride  
The good advice I always hated  
But looking back it made me greater  
You always told me forget the haters  
Just get my money, just get my weight up  
Know when I'm lying, know when I'm crying  
It's like you got it down to a science  
Why am I trying, no you ain't lying  
I tried to fight it, back with defiance  
You make me laugh, you make hoarse from yelling at you  
At gettin' at you, pickin' up dishes and throwing them at you  
Why are you speaking when no-one asks you You see right through me  
How do you do that shit?  
How do you do that shit?  
How do you do that shit?  
How do you, how do yo, how do yo, how do yo, how do yo  
You see right through me  
How do you do that shit?  
How do you do that shit? How do you do that shit?  
How do you, how do yo, how do yo, how do yo, how do yo  
What are we doing?  
Could you see through me?  
Cause you say Nicki and I say "Who me?"  
You say "No you" and I say "Screw you"  
Then you start dressing, and you start leaving  
And I start crying and I start screaming  
The heavy breathing but what's the reason  
Always get the reaction you wanted  
I'm actually frontin', I'm asking you something  
Yo, answer this question, class is in session  
Tired of letting passive aggression  
Control my mind, capture my soul  
Ok you're right, just let it go  
Okay you got it, its in the can Before I played it, you knew my hand  
You can turn a free throw to a goal

Nigga got the peep hole to my soul  
You see right through me  
How do you do that shit?  
How do you do that shit?  
How do you do that shit?  
How do you, how do yo, how do yo, how do yo, how do yo  
You see right through me  
How do you do that shit?  
How do you do that shit?  
How do you, how do yo, how do yo, how do yo, how do yo  
Stop, oooh stop, oooh  
Won't you just stop looking through me  
Cause I can't take it  
No I can't take it  
You see right through me  
How do you do that shit?  
How do you do that shit?  
How do you do that shit?  
How do you, how do yo, how do yo, how do yo, how do yo  
You see right through me  
You see right through me baby  
You see right through me  
You see right through me  
How do you (do that)?  
How do you (do that)?  
How do you (do that)  
How do you (do that)  
Oh, Baby
