I Won't Hold You Back

Toto

If I had another chance tonight
I'd try to tell you that the things we had were right
Time can't erase the love we shared
But it gives me time to realize just how much you caredNow you're gone, I'm really not the same

I guess I have myself to blame

Time can't erase the things we said

But it gives me time to realize that you're the one insteadYou know I won't hold you back now

The love we had just can't be found

You know I can't hold you back now

Now that I'm alone it gives me time

To think about the years that you were mine

Time can't erase the love we shared

But it gives me time to realize just how much you caredYou know I won't hold you back now

The love we had just can't be found

You know I can't hold you back now

You know I won't hold you back now

The love we had just can't be found

You know I won't hold you back now

The love we had just can't be found

You know I won't hold you back now

The love we had just can't be found
