Helena (So Long & Goodnight)

My Chemical Romance

Long ago

Just like the hearse you die to get in again

We are so far from youBurning on

Just like a match you strike to incinerate

The lives of everyone you know

And what's the worst you take (Worst you take)

From every heart you break? (Heart you break)

And like the blade you stain (Blade you stain)

Well, I've been holding on tonightWhat's the worst that I could say?

Things are better if I stay

So long and goodnight

So long and goodnight

Came a time

When every star fall

Brought you to tears again

We are the very hurt you soldAnd what's the worst you take (Worst you take)

From every heart you break? (Heart you break)

And like the blade you stain (Blade you stain)

Well, I've been holding on tonightWhat's the worst that I could say?

Things are better if I stay

So long and goodnight

So long and goodnightWell, if you carry on this way

Things are better if I stay

So long and goodnight

So long and goodnight

Can you hear me?

Are you near me?

Can we pretend

To leave and then

We'll meet again

When both our cars collideWhat's the worst that I could say?

Things are better if I stay

So long and goodnight

So long and goodnightWell, if you carry on this way

Things are better if I stay

So long and goodnight

So long and goodnight
