

# More Than Words

Frankie J

Saying I love you  
Is not the words I want to hear from you  
Its not that I want you not to say  
But if you only knew  
How easy it would be to show me how you feel  
More than words  
Is all you have to do to make it real  
Then you wouldn't have to say  
that you love me, yeah  
Cause I'd already know.  
What would you do (what would you do)  
If my heart was torn in two?  
More than words to show you feel  
That your love for me is real  
What would you say  
If I took those words away  
Then you couldn't make things new  
Just by saying I Love You (just saying I love you, saying I love you)  
More than words  
(just saying I love you, saying I love you) Now that I've tried to (now that I've tried to)  
Talk to you and make you understand  
All you have to do is  
Close your eyes and just reach out your hand  
And touch me  
Hold me close don't ever let me go  
More than words  
Is all you ever needed me to show  
Then you wouldn't have to say  
That you love me, yeah  
Cause I'd already know (just saying I love you, saying I love you)  
More than words  
(repeat till fade)
