

# Just Hold On

Steve Aoki & Louis Tomlinson

wish that you to build the time machine  
so you could see the things no one can see feels like you are standing on the edge looking at the  
stars wishing you were them  
what you do when a chapter end do you close the book never read it again  
what you go when a story done you can be who you are or who you become  
oh oh oh oh oh oh  
is it all gone wrong  
oh oh oh oh  
darling just hold on  
sun goes down and it comes back up all this things are not a worth  
oh oh oh oh  
is it all gone wrong  
darling just hold on  
darling just hold on
