

Baby

Bakermat

Baby, my heart is full of love and desire for you
Now come on down and do what you got to do
You started this fire down in my soul
Now can't you see it's burning out of control My heart is full of love and desire for you
Now come on down and do what you got to do
You started this fire down in my soul
Now can't you see it's burning out of control Ooooooh, satisfy the need in me
Oh baby, my heart is full of love and desire for you
Now come on down and do what you got to do
You started this fire down in my soul
Now can't you see it's burning out of control Don't you understand, baby baby please
Cause only your good loving can set me free
Heey beby, come and satisfy the need in me
Oh baby, come and satisfy the need in me
Oh baby, come and satisfy the need in me Heey baby, come and satisfy the need in me
Oh baby, come and satisfy the need in me
Hey baby
Cause only your good loving can set me free
Heey baby, come and satisfy the need in me
Oh baby, my heart is full of love and desire for you
Now come on down and do what you got to do
You started this fire down in my soul
Now can't you see it's burning out of control
Ooooooh, satisfy the need in me
Oh baby
