Madonna

What are you looking at? Strike the pose
Strike the pose Vogue Vogue Vogue
Vogue Vogue Vogue Look around everywhere you turn is heartache
It's everywhere that you go...
(look around)
You try everything you can to escape
The pain of life that you know
(life that you know)
When all else fails and you long to be
Something better than you are today
I know a place where you can get away
It's called a dance floor and here's what it's for so
Come on Vogue
Vogue Let your body move to the music
(move to the music) Hey hey hey
Come on Vogue
Vogue
Let your body go with the flow
(go with the flow) You know you can do it
All you need is your own imagination
So use it that's what it's for
(that's what it's for)
Go inside for your finest inspiration
Your dreams will open the door
(open up the door)
It makes no difference if your black or white
If your a boy or a girl
If the music's pumpin' it will give you new life
You're a superstar
Yes that's what you are you know it
Come on Vogue Vogue
(vogue)
Let your body groove to the music
(groove to the music) Hey hey hey
Come on Vogue Vogue
(vogue)
Let your body go with the flow
(go with the flow) You know you can do it
