## What's Love Got to Do with It

## Kygo & Tina Turner

You must understand though the touch of your hand Makes my pulse react That it's only the thrill of boy meeting girl **Opposites** attract It's physical Only logical You must try to ignore that it means more than thatOh, what's love got to do, got to do with it? What's love but a second-hand emotion? What's love got to do, got to do with it? Who needs a heart when a heart can be broken?Oh, what's love got to do, got to do with it? What's love but a second-hand emo... What's love got to do, got to do with it? Who needs a heart when a heart can be broken? What's love got to do, got to do with it? What's love but a second-hand emo... What's love got to do, got to do with it? Who needs a heart when a heart can be broken? It may seem to you that I'm acting confused When you're close to me If I tend to look dazed I've read it someplace I've got cause to be There's a name for it There's a phrase that fits But whatever the reason you do it for meOh, what's love got to do, got to do with it? What's love but a second-hand emotion? What's love got to do, got to do with it? Who needs a heart when a heart can be broken? Oh, what's love got to do, got to do with it? What's love but a second-hand emotion? What's love got to do, got to do with it? Who needs a heart when a heart can be broken? What's love got to do, got to do with it? What's love but a second-hand emo... What's love got to do, got to do with it? Who needs a heart when a heart can be broken?Oh, what's love? What's love?
