

# Have Yourself a Merry Little Christmas

[Chris Botti](#)

Have yourself a merry little Christmas  
Let your heart be light  
From now on  
Our troubles will be out of sightHave yourself a merry little Christmas  
Make the Yuletide gay  
From now on  
Our troubles will be miles awayHere we are as in olden days  
Happy golden days of yore  
Faithful friends who are dear to us  
Gather near to us once more  
Through the years we all will be together  
If the fates allow  
Hang a shining star upon the highest bough  
And have yourself a merry little Christmas nowHere we are as in olden days  
Happy golden days of yore  
Faithful friends who are dear to us  
Gather near to us once more  
Through the years we all will be together  
If the fates allow  
Hang a shining star upon the highest bough  
Go and have yourself a merry little Christmas now
