

# So Much More (Radio Version)

Fat Joe

This is this is this is...I know you came to party so get up on your feet  
Yea baby just truck that body and sing along with me come onI know you been searching for  
someone who  
Satisfies you and gives you so much moreCost you when my lid just twist to one side  
We dont bitch we dont snitch we stick and just ride and I...  
Never gave a fuck about po po  
Niggas so gangsta make a songs about my 4 4  
My my 4 4 4 4  
Gets worse \$\$\$ shit when i visit the church  
I'm down with TD Jakes Kirk Franklin  
Better have my overlin plate filled with franklins blastin me  
I have niggas that blast for me wst touch askin me CRACK  
Show me where the safe at i lay em down with the mac leave em face flat listen...  
You dont wanna start no drama  
We dont scrap when theres problems  
We just clap revolvers men  
Get it coke let it go heavy mo sippin mo didnt know better know now  
I know you came to party so get up on your feet  
Yea baby just truck that body and sing along with me come onI know you been searching for  
someone who  
Satisfies you and gives you so much moreUp n pass hilton suite  
Crossin path this chick take me  
I probably win her  
Osacr didnt know hit ten feet  
You need a ladder just to sit on me  
In the ring screamin viva tito with don king at maden square arena pee awa  
Pull mamai to the side she feenin yellin gasolina.  
Now how many bricks does it take  
To moll a lot 36 groom estates follow me  
I can phili eat cheese steaks in a red belly call bitch v8  
Is joe's crib for reals and even want kids in school to go kill crack im back  
Now thats the sourcers you should know how shit gon go now follow me  
I know you came to party so get up on your feet  
Yea baby just truck that body and sing along with me come onI know you been searching for  
someone who  
Satisfies you and gives you so much moreThats the sound of the man workin on the chain yea  
ye yeah crack  
And we dont see no body makin hands stand up like growin up goddy  
Hit lyrics everytime we come out nigga  
Use fist full to come out your mouth  
The way i stack white these dayz  
Lookin like chick that go with flava flav and im so so real

Niggas wanna kill the Don front of my house  
Probably with my son in my arms but i  
Drop em like its hot  
Pass my glock  
My lil shorty tip of the old plot  
Go against cok let em miss you  
I give you ten ways to kill of the whole blockI know you came to party so get up on your feet  
Yea baby just truk that body and sing along with me come onI know you been searching for  
someone who  
Satisfies you and gives you so much moreI know you came to party so get up on your feet  
Yea baby just truk that body and sing along with me come onI know you been searching for  
someone who  
Satisfies you and gives you so much more
