Dumb

Nirvana

I'm not like them but I can pretend
The sun is gone but I have a light
The day is done but I'm having fun
I think I'm dumb or maybe I'm just happy

I think I'm just happy I think I'm just happy

I think I'm just happyMy heart is broke but I have some glue

Help me inhale and mend it with you

We'll float around and hang out on clouds

Then we'll come down and have a hangover

We'll have a hangover

We'll have a hangover

We'll have a hangover

Skin the sun, fall asleep

Wish away, soul is cheap

Lesson learned, wish me luck

Soothe the burn, wake me upI'm not like them but I can pretend

The sun is gone but I have a light

The day is done but I'm having fun

I think I'm dumb or maybe I'm just happy

I think I'm dumb
