Can't Help Falling In Love"Wise men say only fools rush in But I can't help falling in love with you Shall I stay Would it be a sin If I can't help falling in love with youLike a river flows surely to the sea Darling so it goes Some things are meant to be So take my hand, and take my whole life too Cause I can't help falling in love with you Like a river flows so surely to the sea Oh my darling so it goes Some things are meant to be So won't you please take my hand, and take my whole life too Cause I can't help falling in love, in love with you Cause I can't help falling in love, falling in love, I keep falling in love with you
