

The Call

Backstreet Boys

"Hello?"

(lot's of people talking in background) "Hi it's me what's up baby? I'm sorry listen I'm gonna be late tonight so don't stay up and wait for me ok?"

"Where are you?"

"Wait wait say that again?"

"Hello?"

"You're really dropping out I think my battery must be low. Listen if you can hear me we're goin' to a place nearby, alright? Gotta go" Let me tell you the story about the call that changed my destiny

Me and my boys went out, just to end up in misery

I was about to go home and there she was standing in front of me

Said 'Hi (Hi), I got a little place nearby

Wanna go?', I should have said 'No'

Someone's waiting for me

But I called my girl up and said

Listen Baby I'm sorry

Just wanna tell you don't worry

I will be late don't stay up and wait for me

I'll say again you're dropping out my battery is low

So you know we're goin' to a place nearby

Gotta goNow two years gone, nothing's been won

I can't take it back what's done is done

One of her friends found out

That she wasn't my only one

And it eats me from inside, that she's not by my side

Just because I made that call and liedListen Baby I'm sorry

Just wanna tell you don't worry

I will be late don't stay up and wait for me

I'll say again you're dropping out my battery is low

So you know we're goin to a place nearby

Gotta go

Baby, Baby I'm sorry...

Hello, Hello, Hello

Baby, Baby I'm sorry.

Hello, Hello, Hello

Baby, Baby I'm sorry...

Hello, Hello, Hello

Gotta Go (Gotta go)Let me tell you the story about the call that changed my destiny

Me and my boys went out, just to end up in misery

I was about to go home and there she was standing in front of me

Said Hi, (hi) I got a little place nearby

Gotta goListen Baby I'm sorry

Just wanna tell you don't worry
I will be late don't stay up and wait for me
I'll say again you're dropping out my battery is low
So you know we're goin to a place nearby
Gotta go Listen Baby I'm sorry
Just wanna tell you don't worry
I will be late don't stay up and wait for me
I'll say again you're dropping out my battery is low
So you know we're goin to a place nearby
We're goin to a place nearby
Gotta go
