

# My Vision

## Seal

I feel like the sun  
I feel like the rain  
I feel like I just found reason for living again  
'Cause what I've been dreaming,  
I know that it's real  
I know there's just no changing the way I feel  
You're into my head  
I'm out of my mind  
I feel like I've just found reason for being alive  
And I have a secret  
I think you should know  
I feel like I just can't keep it  
It's deep within me  
And I feel like I'm losing control  
Can you see my vision  
Of a red hot summer in Ryde?  
When love was the feeling  
With no indecision  
We were turning that key inside  
To get in the momentWe live in a dream,  
I see you today  
I feel like all my fears are fading away  
Been waiting so long for something new  
I feel like a constant craving for being with you  
And I have a secret I think you should know  
I feel like I just can't keep it  
It's deep within me  
And I know that I'm losing control...  
Can you see my vision  
Of a red hot summer in Ryde?  
When love was the feeling  
With no indecision  
We were turning that key inside  
To get in the momentCan you see my vision  
Of a red hot summer in Ryde?  
When love was the feeling  
When love was the feeling  
When love was the feeling  
When love was the feelingI have a secret,  
I think you should know  
I feel like I just can't keep it  
It's deep within me

And it's deep within me  
And it's deep within me  
And it's deep within me  
And it's deep within me  
And it's deep within me  
And it's deep within me  
And it's deep within me  
And I feel like I'm losing control  
Can you see my vision  
Of a red hot summer in Ryde?  
When love was the feeling  
With no indecision  
We were turning that key inside  
To get in the moment  
Can you see my vision  
Of a red hot summer in Ryde?  
When love was the feeling  
When love was the feeling  
When love was the feeling  
When love was the feeling.
